Dear Parent

Gum Shield Fittings – Autumn 2017

It is imperative that your child wears a gum shield during contact sports such as rugby and hockey. The wearing of gum shields significantly reduces the chances of serious dental damage.

The school has offered a service for the last few years which has allowed pupils to be fitted and supplied with their gum shields at school. The gum shield comes with a carry box and your child's name embedded in the gum shield for easy identification if lost. The cost of the gum shield will be added to your Spring Term 2018 account.

Single colour £35.50

Two colours £39.50

If you would like to purchase a gum shield in this way the dentist will be in school on Wednesday 6 September and the gum shields will be with us in the second week of the autumn term.

Clearly this has considerable benefits and many parents have taken advantage not only of the service, but also of the competitive price of the gum shield.

Yours sincerely

Miss M Sweeney
