Dear Parents

### **Year 7 visit to Blue Reef Aquarium - 29 September**

This term pupils in Year 7 will be covering the topic of "Seashore". They will develop their studies of natural form shells using a technique of look, think and draw. To complement their studies and to help their research and evidence gathering we will be taking the children to the Blue Reef Aquarium, Tynemouth on Friday 29 September.

We will be leaving school at 8.45am prompt, using Compass Royston Coaches. A packed lunch will be provided by school. We will return to school at approximately 4pm.

Normal School rules will apply, including the wearing of uniform and the prohibition of sweets and chewing gum. Staff will take a first aid kit with them, and there are first aid facilities at the aquarium. If your child suffers from asthma or severe allergic reactions please ensure their inhaler/medication/epipen is with them. If they do not have them, they will be unable to go on the trip.

The cost of the visit will be £11.50 which will be added to your spring term account.

Pupils are covered by the School's insurance policy. A full risk assessment has been undertaken by the group leaders. The trip will be subject to the conditions as set out in the Parent Contract, and will be covered by the school's insurance policy.

The children should not bring expensive personal items with them. The school cannot be held responsible for the care of these if any pupil brings them, and insurance will not cover them. We endeavour to take photographs on as many school trips as possible, please visit our website, Facebook and twitter pages to view a selection of photographs.

Please do not hesitate to contact me if you have any questions about this trip.

Yours sincerely

Miss C Reily
