9 March 2018

Dear Parents

Easter Events

As part of our Easter activities, we shall be holding a Lego Workshop on Tuesday 27 March. All children will take part in an exciting session constructing a wide range of Lego objects.

On Wednesday 28 March it will be our annual Easter egg decorating competition; your child will require a boiled/polystyrene/plastic egg, together with materials for decorating and displaying the egg. Maximum size of display is A4. Glue, felt pens and scissors will be available in school. These items need to be in school no later than the morning of Wednesday 28 March. Please note **no** preparation work should be done at home before the day, although your child is encouraged to plan their design and think of a name for their egg.

The eggs will be judged and prizes will be awarded on the afternoon of Wednesday 28 March. The eggs will be on display in the barn and should be collected at the end of the school day.

A reminder that term ends on Thursday 29 March and Summer term commences on Monday 16 April.

Thank you for your help and support.

Yours sincerely

Mr S Haywood
Head of Nursery & Infant School
