Dear Parent

Gum Shield Fittings – Wednesday 5 September 2018

It is imperative that your child wears a gum shield during contact sports such as rugby and hockey. The wearing of gum shields significantly reduces the chances of serious dental damage.

The school offers a service which allows pupils to be fitted and supplied with their gum shields at school. Each one comes with a carry box and your child's name is embedded in the gum shield for easy identification if lost.

The dentist will be in school on Wednesday 5 September for fittings and the gum shields should be with us in the second week of the autumn term.

The cost is:

Single colour £36

Two colours £40

The cost will be added to your Spring term account.

Over the years many parents have taken advantage not only of the service, but also of the competitive price. If you would like your child to be fitted with a gum shield then please complete the slip below and return it to school before the end of term.

Yours sincerely

Miss M Sweeney
