22 June 2018

Dear Parents

Year 10 Cleveland Police Wise Drive Casualty Reduction Programme - Stockton Riverside College Wednesday 27 June 2018

Wise Drive is an annual road safety educational event aimed at Year 10 and 11 pupils within County Durham, Darlington and Cleveland who will soon reach the age where they can attain a driving licence.

Statistics show the most vulnerable group of road users are aged 17-24, ie those who have just attained their driving licence or may have limited driving experience. The event is a multi-agency initiative involving emergency services, local authorities and businesses in the region. Wise Drive has been developed to provide practical skills and improve knowledge, behaviour and attitudes in relation to all aspects of road safety and the law in relation to this.

Year 10, with Mr Wilkinson and Mrs Roberts, will travel to the event in the school minibus. First aid facilities will be carried on the minibus, and there is further first aid provision at the venue. The event is covered by the school's insurance policies and a risk assessment has been undertaken. Pupils whose medical records show that they need to carry an inhaler or an epipen, must bring theirs with them and they must carry them at all times.

Pupils will leave school at 9am and return to school by 2.30pm. They will be provided with a packed lunch. There is no charge for this event.

Yours sincerely

Mr S Wilkinson
Head of Design Technology
