7 June 2019

Dear Parents

INCAS Assessments

Commencing Monday 10 June, children in Years 1-6 will participate in INCAS assessments, which help to identify and diagnose specific learning strengths in individual pupils and inform future planning. These are assessments designed by the CEM centre at Durham University, where pupils work at a computer and are guided by audio instructions. The pupils don't recognise it as an assessment, rather more like a fun online activity. The assessment is kept low key and should be enjoyed. It can't be revised for and certainly shouldn't cause any concern.

Should you like any more information, please don't hesitate to contact me.

Yours sincerely

Mr Simon Haywood
Head of the Junior School.
