

GUIDE TO MEASURING

This guide has been developed by our supplier during the coronavirus lockdown to help parents decide what size uniform to order. We have also enclosed a tape measure for ease.

Please be aware that if the chest measurement is very close to a size and a pullover/cardigan is to be worn under a blazer you may need to choose the next size up.

STEP 1 – Measure the chest and waist with the tape measure.

STEP 2 – Use the correlation chart below to choose the size needed.

RED HOUSE SIZING CORRELATION CHART

Summer Dress & Pinafore Chest Size (inches)	22	24	26	28	30	32	34	36				

All skirt waists are exactly as measured (i.e. if you measure a 30 inch waist you need a 30 inch skirt).

STEP 3 – Only if you want to check the key garment measurements. Please remember our blazers come with a Smartsleeve® that can be adjusted down by 1.5 inches and can be seen on this website www.schoolcolours.co.uk/smartsleeve. Blazer sleeves can be easily shortened by sewing in a tack on each side after folding up to the right length.

The basic blazer specifications are on the opposite page. Please remember garments need ease in the chest so a size will always measure between 3 and 5 inches more than the wearers chest measurement:
