

I would like to inform you of the changes that your child will encounter so that you can help prepare and support them for the year ahead.

Curriculum

In Year 3, your child will be mostly class-based and they will be taught by an experienced member of our primary-trained staff. In addition to this, they will continue to receive some specialist teaching, for example in Music and PE. You will receive a termly newsletter which will identify the key aspects of curriculum coverage in Year 3. It is worth noting that your child will need to wear their sports kit on the days they have PE (twice a week). These days will be confirmed with you before the start of term and your child will receive a copy of their new timetable in September. Please see Miss Sweeney's letter regarding PE & Games lessons, including kit and equipment.

Equipment

Book bags are allowed in school. In order to ensure that your child is fully prepared for their day ahead, they will also need to be equipped with the following stationery items: pencils (HB) and sharpener; eraser; a ruler; a glue stick; coloured pencils (no felt tips please)

Other Requirements

- a water bottle which can be refilled throughout the day
- a healthy snack for morning break (in a disposable bag)
- a reading book either brought from home or taken out from the school library
- indoor & outdoor trainers
- an art overall

Homework

Your child will normally be set one piece of core subject work per week (Maths or English). The purpose of the homework is to support your child's learning. Each piece of homework should take approximately 30 minutes. In addition to this, the pupils will be given a set of spellings each week to learn for the following week and we would encourage your child to read every night for 10 minutes. Regular times tables practice is also advised. Please ensure that you read and sign your child's planner daily and check that any homework set has been completed. The planner is also a good way to communicate messages to your child's teacher. If your child is having difficulty completing the work in the required time, it is a good idea to write a note in their planner informing the child's tutor, or the particular subject teacher, so that the issue can be addressed quickly.

Contacts in School

Your child's form teacher will be Mrs Waldock (lucy.waldock@redhouseschool.co.uk). If you have any concerns about how your child is settling into Year 3, I would recommend that in the first instance you discuss these with your child's tutor. If you wish to discuss any issue further, please contact me (claire.thompson@redhouseschool.co.uk) as team leader for the children in Key Stage 2.

Pupil Post

Important letters and information are sent out electronically via Pupil Post on a Friday. Please ensure you check these each week.

Clubs

In order to settle the pupils safely back into school, we will not be offering co-curricular clubs in September but we will keep you informed as soon as this changes.

Merits

Teaching staff award merits for good work and effort. Certificates will be awarded in school.

I hope this information has helped prepare you and your child for their exciting year ahead and we are very much looking forward to welcoming everyone back in September.
