Dear Parents

### Co-curricular Sports Clubs

Until the return of fixtures, we are encouraging all our pupils who are members at local sports clubs, to attend their usual training sessions in accordance with the "return to play" guidelines set up by each sport's Governing Body. This will ensure they are continuing to develop their skills under the supervision of specialist coaches in their chosen sport(s).

At this time, we would also like to offer some co-curricular activities to Senior School pupils and whilst some of these clubs are due to take place after school, we would like to stress that this is not compulsory for our team players. We propose to offer the following "multi-sports" club for each year group:

	Lunchtime	After school (4-5pm)
Monday	Year 11	Year 9
Tuesday	Year 10	Year 7
Wednesday		Year 6
Thursday		Year 8

Due to restrictions of changing room use in school, pupils will come to school in PE kit on the days they are attending a sports club.

In the absence of our fixture programme, this session for each year group will be an additional opportunity for all pupils to play competitive games safely within their year group bubble. If any pupil would like to participate, they will need to let their tutor know during Monday morning registration.

When numbers are finalised for each year group, preparations will be made in terms of staffing, allocating appropriate activities and essentially, ensuring that all equipment is sanitised and ready for each session. Year groups may be split into single-sex sports clubs but this will be entirely dependent on pupil numbers each week. All pupils will be notified to confirm the activity and any specialist equipment needed (eg shin pads / mouth guard).

Please do not hesitate to contact me if you have any queries about these arrangements.

Yours sincerely

**Mrs Marie Sweeney**  
**Head of Physical Education**
