Dear Parents

Design a Christmas Card Project

This term we will once again be participating in the 'Design a Christmas Card Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for school.

Your child can create their own design for a Christmas card which will then be professionally printed to produce a pack of 12 cards with envelopes and gift wrap & labels from the same design. Mugs are also available.

Not only would it be very exciting for your child to see his/her work as a finished product, the cards themselves will be ideal for sending a more personal greeting to friends and family at Christmas.

Card packs/mugs and labels must be ordered online following the instructions on the order form sent home with your child tonight. Each form has a unique code, so please do not photocopy it. Spare forms are available from the office.

The finished artwork must be returned to the class teacher and the order must be placed online no later than Thursday 8 October. We are unable to process any orders received after this date.

Please see the order form for full guidelines. Unfortunately, the School or Cauliflower cards can not accept responsibility if these are not followed.

Yours sincerely

Mr S Haywood
Head of the Junior School
