11 September 2020

Dear Parents

Year 9 (September 2020) Science Revision Guides and Workbooks for pupils.

The Science department is able to purchase heavily discounted revision guides and workbooks to support your son/daughter throughout their GCSE Science courses. Using the revision guide and workbook will provide an additional view of the courses as well as allowing the pupils to take ownership of revision and self-directed study.

Pupils will be writing in the workbooks and they cannot be reused; they can also highlight and annotate the revision guide as they wish. We recommend that you purchase the books listed below. If you do not wish to purchase copies please email me at Julie.gresswell@redhouseschool.co.uk by September 18, 2020.

The books purchased are;

- New Grade 9-1 GCSE Biology: AQA Revision guide - £2.85
- New Grade 9-1 GCSE Chemistry: AQA Revision guide - £2.85
- New Grade 9-1 GCSE Physics: AQA Revision guide - £2.85
- New Grade 9-1 GCSE Biology: AQA Exam Practice workbook - £2.85
- New Grade 9-1 GCSE Chemistry: AQA Exam Practice workbook - £2.85
- New Grade 9-1 GCSE Physics: AQA Exam Practice workbook - £2.85

Workbooks and revision guides will be ordered shortly and the total cost (£17.10) will be added to your school bill; so no further action will be needed. Pupils will receive the books as soon as they arrive in school.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Mrs J Gresswell
Head of Science and Physics
