Dear Parents

Children in Need Appeal: Friday 13 November

As many of you will be aware this year's BBC's Children in Need Appeal will take place on Friday 13 November.

To mark this event, members of the Pupil Council have decided to ask the Junior school to 'Act your Age and do something good with it' to help raise money for all those children who remain in need and more so because of Covid 19.

We would like them to use their age, or the combined ages of their family and use that number as their target by choosing an activity based on it.

Fundraising activities to consider could be to walk or run that distance, make that number of cakes, eat that many Percy Pigs, tell that many jokes, balance or stand for that number of minutes / seconds, make a list of all the things they are grateful for. These are just some of the ideas we have suggested but are sure that you can come up with some exciting ideas of your own!

We would like the children to ask for sponsors to raise some money and if you could take photographs/videos of them doing their fundraising this would be excellent to share on November 13th with the whole class.

On Children in Need day children can come into school wearing anything yellow or Pudsey clothes and donate £1.00 for doing so.

Appropriate footwear should be worn and pupils should also have their outdoor coat in school for break times.

Last year as a school we raised over £500 and it would be marvellous to exceed that amount this year.

Cheques can be made to BBC Children in Need.

The staff will certainly enjoy hearing about their amazing fundraising activities and I am sure the day will also be action packed with Pudsey inspired learning activities!

We do hope that you will be able to support this worthwhile cause.

Yours sincerely

Mrs G Summers
Assistant Head of Junior School
