Parent Handbook

AN EDUCATION
ENJOYED

redhouseschool.co.uk

Welcome from the Headmaster

Red House School was founded in 1929 by a group of parents who wished to give their children the very best start in life by providing them with a first rate education. Since those early days the school has grown and developed, but the underlying principle of providing the highest quality education, still remains true.

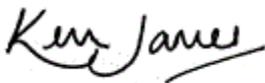

We believe that education should be seen holistically: the physical, intellectual and emotional development of an individual child coming from a wide range of experiences within a broad and balanced curriculum. Education is seen as more than just academic success. Although this is important, it includes exposure to 'culture'; initiates pupils into the norms, customs and values of society; and develops individuals capacities and capabilities both within and outside of the classroom.

Red House offers a high quality education to a relatively wide range of pupils from different backgrounds. Pupils entering Red House must have the potential to benefit from the broad and balanced curriculum we have to offer, but we have a remarkable track record in making the full academic curriculum accessible to a wide range of pupils.

A successful education is not down to any one individual; it is a combination of child, parent and teacher working together. At Red House we encourage parents to become involved in their child's education. Small class sizes ensure teachers really know the children they teach. Teachers are accessible and the pupil planner is used as a conduit for the regular passage of information between school and home.

The information contained within this Parent Handbook is written to help you and your child have a greater understanding of how the school functions. Further information can be found within the School's policies, available on the School's website or from the School Office. Should you have any further questions please do not hesitate to contact the School.

Yours sincerely

Ken James
Headmaster

ESSENTIAL INFORMATION

Contact the Senior School

During term time, the Senior School office is open every weekday between 7.30am and 5.00pm. During the holidays, it is open between 9.30am and 4pm. If you wish to contact the office by telephone, the number is 01642 553370. If you would like to talk to a member of the teaching staff directly, the school secretary will endeavour to transfer your call or take a message and ask the person concerned to return your call. You may also email the Senior School Office: linda.ward@redhouseschool.co.uk.

If you wish to discuss an academic matter, you may contact the subject teacher directly, or contact Lara Roberts, Assistant Head (Academic). However, for more general or pastoral matters, you should always make the form tutor your first point of contact. You can also do this by simply putting a note in your child's pupil planner.

We also have a Pastoral Team Leader working with each key stage:

- Mrs Smart Years 9-11
- Mr Kitching Years 7 & 8
- Miss Thompson Years 4-6

You can also contact members of staff by email (firstname.surname@redhouseschool.co.uk) or by letter.

Collection of Children during the School Day & Absence

We must be able to contact you during the day in the unlikely event that your child is unwell. Red House does not employ a school nurse and thus you, or a family member, must be able to collect a sick child.

If for any reason your child is unable to attend school:

- Where this is known in advance please send an email/letter to your child's form tutor.
- For unexpected absence please phone the School Office between 7.30-8.30 am on the first day of absence. This ensures we know that your child is unwell and in your care rather than missing from school.

Pupils collected during the school day, for whatever reason, must be signed out with the School Secretary. If pupils come into school during the school day, they must sign in with the School Secretary before going in to lessons.

If you have any doubt about whether your child is well enough to be in school, we must ask that you are contactable during the day and available to collect your child if it becomes clear that he or she is not well enough to continue.

Drop Off and Pick Up Arrangements

Parking around The Green is not easy and the maintenance of good relationships with our neighbours is important. We therefore ask you to bear the following points in mind and move away as soon as possible after collecting your child to free parking spaces.

- Vehicles must always be parked legally so as not to cause an obstruction.
- Please do not block the school drive or residents' drives, even for 'just a minute'.
- Please leave enough room for the school minibus to be able to turn out of the Senior School at 4pm, as there are often away fixtures at that time.
- Please do not simply pull alongside the parked cars outside Senior School to allow your child to 'jump in'.

First Day

If your child is joining at the beginning of the school year, in September, please come to the main entrance of the Senior School, facing The Green, at 8.15 am on the first day of term where members of staff will be on hand to welcome your child and take him/her to their tutor group.

If your child is joining during the year, Claire Bellerby, Head of Admissions will confirm arrangements for their first day.

Form Tutors

Your child will be assigned to a tutor group. All tutor groups are numbered by the National Curriculum Year Group with the initial of the Form Tutor. Your child's form tutor has the responsibility for overseeing academic progress, involvement in activities, and for seeking to resolve any social problems. It is a good idea to develop close contacts with your child's tutor.

Your child's tutor should always be your first point of contact at school if you have any question, problem or concern. Please speak to them before a minor matter escalates.

DAILY SCHEDULE

Breakfast Club

All pupils arriving at school before 8.30am will be supervised in Breakfast Club in the Senior School hall. Here the children are supervised and, should they require it, may purchase breakfast. Breakfast Club opens at 8.30am. There is no charge for Breakfast Club but pupils will require money if they wish to purchase breakfast items. At 8.10am children are escorted outside, unless the weather is inclement, until registration at 8.30am.

Start of the School Day

Pupils should arrive at school before 8.25am and be in their form rooms in time for registration, which is at 8.30am.

Assembly and PSHE

Assembly or a programme of Personal, Social and Health Education (PSHE) takes place at the start of each day.

Break and Lunchtimes

All pupils are expected to go outside during break and lunchtimes unless it is raining. Pupils must have a pair of training shoes to change into before going outside. Senior School pupils play football or other games in separate areas of the school field. Pupils may bring a healthy snack with them to eat at school. Please do not provide nuts as a snack as some pupils have severe allergies.

Lunch

The lunch break is from 1pm until 1.55pm. Years 6-8 go to first lunch from 1-1.25pm and Years 9-11 go to second lunch, 1.25-1.55pm. There is a rota to ensure each year takes turns to be first into lunch. Our catering team provide weekly menus, which are displayed on the website and in all the main areas of the school.

It is important that all dietary requirements are completed within the Enrolment Booklet and returned to school prior to your child starting school.

End of School

The end of school for Senior School is at 4pm. Pupils staying for Tea & Prep should go to the hall as soon as possible, so that tea can begin promptly.

Any pupils not collected by 4.20pm are brought back into Tea & Prep until they are collected.

Tea and Prep

Each morning during registration, your child will need to inform their teacher if they will be staying for tea that day. The first session (snack only) runs from 4 until 4.15pm. This is for children who are attending a co-curricular activity, who would like to have a snack and a drink before the club begins. Clubs run from 4.15-5.15pm. Tea 1 runs from 4-5.15pm and Tea 2 from 5.15-6pm.

Current charges for Tea & Prep are available on the school website under School Fees.

Tea is served at 4pm, usually in the hall and the menu varies daily. Pupils who are not taking part in co-curricular activities are expected to bring everything they need in order to do their homework, to work quietly without disturbing others and to have a reading book with them at all times. Once homework has been completed, younger pupils are allowed to play board games quietly and have access to drawing materials, word searches and crosswords. During most sessions, access to laptops is available should they be required for research or homework. Pupils soon settle into the routine and make good use of the time available to them.

At the end of the first session (5.15pm) pupils are escorted outside under the supervision of a member of staff.

For reasons of security, should you wish to collect your child during, rather than at the end of a session, we ask that you wait at the Pupil Entrance and ring the Senior School number (01642 553370). A member of staff will bring your child to you. It would also be most helpful if you could use this number to let us know if you are likely to be late collecting your child for any reason. Please note that pupils are not allowed to have their mobile phones switched on in School so will not be able to receive calls or text messages.

THE CURRICULUM

Red House is a Selective School

Red House is a small school and many parents value this. It is, however, an inevitable consequence of our small size that we cannot seek to be all things to all people. For this reason, we have to be selective.

In the upper part of the school, we offer only one curriculum leading to 9 or 10 GCSE's with teaching targeted at Grade C and above. All pupils entering the school must have the potential to benefit from this curriculum. All pupils are, thus, assessed before a place in the school can be confirmed. This assessment is not normally competitive; except for entry to Year 7, where demand for places is high.

Red House would normally look for evidence that a pupil is securely within the top 50% of the ability range. We will do everything we reasonably can to allow able pupils with special educational needs to succeed at this curriculum. However, it must be remembered that we are not a specialist school for pupils with learning or behavioural difficulties. Such schools exist and they can provide a more professional service for such pupils.

All teaching up to the end of Year 6 is in two balanced, mixed ability groups. In Year 7 and above the social base of the Tutor Group remains balanced and mixed ability and groups are named with the initial of the Tutor. Teaching in Year 7 and above is setted independently by performance in English, Mathematics and the Sciences.

The majority of pupils go through the school from Nursery to GCSE. However, there are occasionally cases when this is not advisable. At the end of Year 4, at the top of the Junior School, parents will be alerted if there is serious doubt that a programme leading to 10 GCSEs at grade C and above is appropriate. This will then be reviewed again at the end of Year 6 prior to pupils starting on the academic programme in Year 7. Occasionally it may not be possible for a pupil to enter the secondary school phase in Year 7. If this is likely to be the case, we will have been discussing the matter with you for an extended period of time before the end of Year 6

To ensure that we help every pupil to achieve their full potential, Red House conducts regular assessments of both potential and performance. It is our aim that these should be rigorous but unobtrusive. Assessments will not dominate the school and in many cases, where it is simply routine, we will not inform parents. Parents will only be informed in advance if the outcome of any test could have serious or immediate consequences, as is the case with GCSE examinations.

Co-Curricular Activities

A range of both sporting and non-sporting co-curricular activities are organised appropriate to the age of the pupils. The sporting activities are additional to team practices and fixtures.

A list of current co-curricular activities will be circulated each term.

Parents have given their consent for their child to attend off-site educational trips and visits by signing the parental contract or completing an Educational Visits Consent Form. Where an activity is residential or involves adventurous activities, a further one-off Parental Consent and Medical Form will be sent home.

Educational Visits and Workshops

Red House pupils have the opportunity to undertake a wide range of educational visits. These include a wide variety of day visits to local places of education interest linked to topics studied in the curriculum, as well as foreign language and outdoor adventure education residential trips. Transport to and from the venue is either by the school minibuses or a hired coach from a reputable company. Workshops, led by visiting professionals, are also organised.

Full details of all educational visits are sent to parents well in advance of the trip. An annual skiing holiday, usually during the Christmas holiday, is open to pupils from Years 7-11.

Teaching and Tutor Groups

Pupils in Year 5 are taught as two balanced classes, each with their own teacher. In Year 6 and above, the classes remain together as tutor groups but are each taught by specialist teachers. In Year 7 and above, the balanced, mixed ability tutor groups remain together but setting by performance is introduced. English, Mathematics and Sciences are able to set independently, according to a pupil's performance in that subject.

We will always listen to parents in matters of class allocation but, ultimately, we are unable to run a school with every parent choosing the group in which their child is placed. We will always listen, but in the end, parents placing pupils into Red House must accept that the school makes the final decision on these groupings.

Further details can be found in the Curriculum Policy, available on the school's website.

Reporting to Parents

Written reports, which give details of children's academic and social progress, are given three times a year in Years 6-10. For pupils in Years 6-9 an interim report is sent at the end of the Autumn and Spring Terms and a full written report at the end of the Summer Term. In Year 10 there are interim reports at the end of the Autumn and Summer Terms and a full written report at the end of the Spring Term, approximately half-way through the GCSE course.

Pupils in Year 11 have an Autumn half-term progress report and a full report at the start of the Spring term following the mock examinations that take place towards the end of the Autumn Term. A separate Personal, Social, Health Education (PSHE) report is also sent out with both the interim and full reports.

Parents of Years 6-11 meet with class and subject teachers once per year in the Spring Term.

WELFARE MATTERS

Red House is a non-denominational Christian school, but this does not influence in any way our Admissions Policy.

We seek to create a Christian ethos within the school. Morning assembly, Religious Studies lessons and Personal Education all have a broadly Christian message and the school celebrates the major Christian festivals. We hope that all families will come to the annual Carol Service.

We expect that all parents accepting places at Red House welcome this and will support the school in developing Christian values in all our pupils. We see this as particularly important as the basis for all relationships within the school. We expect the whole community to develop tolerance, consideration and forgiveness.

Personal & Social Education

Red House School takes very seriously its responsibility to guide all pupils in developing appropriate attitudes and values.

However, we do not see ourselves as taking over the role of parent. We believe that parents should, and indeed want to, take responsibility for many areas of their child's personal development.

We follow certain important principles:

- Staff will always act as a responsible Christian parent would act.
- Tolerance, consideration and indeed forgiveness must underpin all relationships.
- Staff will teach pupils, according to age, about sensitive matters including sexual relationships, personal development, drugs, and health issues within a framework of tolerant Christian morality.

EXPECTATIONS OF PUPILS

Red House is proud of the fact that it has high expectations of every pupil. Clearly, these expectations will increase as pupils get older, but the principles remain the same. In accepting a place for your child at Red House, you are undertaking to support the school in its efforts to help everybody to meet these expectations. Please read them and make it clear to your child that you support the school in these expectations.

We do not put a great stress on a list of rules at Red House; as such lists tend to be very negative. We do, however, have high expectations of our pupils. The following list (although not exhaustive) does give some indication of the nature of our expectations:

- We expect pupils to be courteous and considerate at all times which will include making an appropriate response to a greeting or farewell by a member of staff, being prepared to say, 'excuse me,' when passing between two people, holding doors open for members of staff, visitors and for one another, being ready to help visitors.
- We expect pupils to be polite and pleasant.
- Pupils are expected to be quiet when lining up for a class and during assembly.
- We expect pupils to walk around school purposefully, without running or pushing. This should be done quietly, but not necessarily in silence.
- We greatly appreciate parental support in reinforcing these.

Form tutors will go through this list with their pupils and will monitor the response of pupils. If particular pupils repeatedly stray from these guidelines, form tutors will report to the Team Leader, who will decide whether to contact you. Further information regarding expectations of pupils can be found in our Behaviour Management Policy and within the School Code of Conduct. Copies of these are available on the school website.

GENERAL INFORMATION

Communication

Pupil post is an important mechanism for keeping you informed. Parents should be aware that this is emailed every Friday. Other items, such as school reports, come home with your child.

Fees

School fee bills are emailed and are payable in full before the first day of term to which they apply. Payment can be made by electronic, internet or telephone banking. The School's bank details are as follows:

Lloyds Banking Group
Sort Code: 30-98-13
Account Number: 01776186

If you have any queries regarding school fee bills, please contact Andrea Tomlinson, Head of Finance & Compliance on 01642 553370 or andrea.tomlinson@redhouseschool.co.uk.

In association with market-leading school fee finance provider School Fee Plan (www.sfpschoolfees.co.uk), you can apply online at <https://www.myschoolfeeplan.com/RedHouseSchool-TS20> to pay your school fees by monthly instalments*. It is quick, easy and once approved, the school will notify School Fee Plan of your termly fees, including extras.

*Credit is subject to status. Terms and conditions apply

Holidays During Term Time

Red House holidays are generous and the dates are given at least one year in advance. Parents are asked not to withdraw children for holidays during school terms. If absence from school of a non-medical nature is required, parents must make a written request to the Headmaster in advance. Missing school is not encouraged since it not only disrupts the education of the individual who is absent but can also be detrimental to other pupils.

House Events

On entry to the Senior School, all pupils are placed into one of three houses: Castle, Ragworth or Whorlton. House events - academic, sporting and co-curricular - take place throughout the year. Pupils have the opportunity to be part of the House Teams in hockey, netball, football, rugby and for U11 and U13 pupils, cross-country too. There are house competitions at U15 level too: netball, hockey and football for girls, rugby, hockey and football for boys. There is a House Swimming Gala open to Years 4-6 and usually takes place in the Spring Term. Sports Days form the House competition for Athletics and these take place in the Summer Term. Sports Day for Years 4-6 is held at school and Years 7-10 have their Sports Day at Middlesbrough Sports Village. We welcome all parents and families to attend Sports Day and Galas.

Personal Accident Insurance

The school takes out Personal Accident Insurance on behalf of all pupils at the school. This cover applies both on and off the premises and includes the following activities:

- All sport activities.
- All playground activities.
- Classroom, laboratories and work experience, etc.
- Educational visits.

Details of the policy can be obtained from the Head of Finance & Compliance.

Music

Many pupils at Red House learn musical instruments. There is an additional charge for this individual tuition. It must be remembered that these lessons may involve withdrawal from normal teaching – it is not possible for everyone to have lessons at break or during the lunch hour. These lessons lead to music examinations held by the Associated Board of the Royal School of Music. Music concerts give pupils learning musical instruments the chance to perform to an audience and are held on a number of occasions during the year. There is an annual musical production involving pupils from across the whole school.

Photographs and Data Protection

The Information Commission has clarified:

Parents who take photographs of their children and friends at school events are not breaching the Data Protection Act and any claims to the contrary are false. The Deputy Information Commissioner has said:

"We recognise that parents want to capture significant moments on camera and we want to reassure them and other family members that whatever they might be told data protection does not prevent them taking photographs of their children and friends at school events. Photographs taken for the family photograph album are exempt from the Act and citing the Data Protection Act to stop people taking photographs or filming their children at school is wrong."

Prize Giving

It is important to recognise achievement if we are to achieve high standards. Each section of the school holds a Prize Giving Ceremony. The Senior School Prize Giving Ceremony is at the end of the Summer Term.

School Bus Service

The School operates three school bus routes, servicing Sedgefield, Wynyard, Middlesborough, Ingleby Barwick, Peterlee and Hartlepool daily during term time. These provide a safe and reliable means of getting to school. Further details about the bus service can be found in the Parents section of the school website or by contacting Claire Bellerby on 01642 558119, claire.bellerby@redhouseschool.co.uk.

School Calendar

The school calendar can be found on the School's website. It contains details of all important events, including sports fixtures, Parents' Evenings etc.

School Year Book

The School year book is produced annually. This provides an opportunity to showcase the work of the children throughout the school and contains many written and pictorial contributions. The year book also acts as a record of the many events and activities that have taken place in school over the past year.

Social Media

Red House is very proactive with its social media accounts. They are updated on a regular basis to help parents and other family members feel part of the school day. It's also a valuable tool to give parents peace of mind whilst their child is on a residential. We would like to encourage all of our parents and other family members to like, follow and connect with our social media accounts.

Uniform

Most items of uniform can be purchased directly from the school; all other uniform items are available from the High Street. A dedicated member of staff is available daily at the school and can advise you fully on the uniform your child requires. Uniform lists are also available on the school website.

Individual appointments for viewing and fitting uniform are available. It is important that you bring your child with you. An appointment gives you the opportunity to ask any questions you might have about the uniform and allows your child to be fitted and try clothes on in a comfortable environment.

To arrange an appointment, please contact Ann Morton on 01642 553370 or via email to uniformshop@redhouseschool.co.uk. Uniform can also be purchased during school holidays.

Payment for new uniform is expected within 5 working days from the date of purchase and should be made by bank transfer to the school using the account details below:

Account No: 01776186
Sort Code: 30-98-13

Additional items can be purchased anytime throughout the year and the charges will be added to your termly fees bill. Please note we are unable to accept payment by cash, cheque or debit/credit cards.

Use of Photographs and Images

Please note that photographs of the school and its pupils are taken from time to time for the purposes of publicity, as a record of the life of the school for the enjoyment of the community and as part of academic work. These may be used in various forms, for example in printed promotional material and/or on the school website and social media. Your consent to the use of such photographs which have your child's image on them was demonstrated by your signature on the Acceptance Form.

BAGS AND ESSENTIAL EQUIPMENT

Drinking Bottles

- Pupils should also bring a water bottle to school. Drinking fountains are available so that bottles can be refilled in school. If pupils are involved in sporting events or fixtures they should always take a filled water bottle with them.

Pencil Cases

- Pupils in Year 6 and above should also have a pencil case containing the following equipment: fountain pen/handwriting pen with blue ink (black ink is allowed in KS4 only and biros are not allowed); pencil; pencil sharpener; eraser; ruler; coloured pencils
- compass; protractor; a scientific calculator: Casio fx-83GTX (from Year 7)
- glue; safety scissors (optional)

School Bags

- A briefcase or hard-sided bag should be provided for carrying books and other equipment around school. As an alternative, a backpack type bag, which is well padded, has compartments and will protect expensive textbooks is suitable. Normal rucksacks, which have no support in the main compartment, are unsuitable, as they do not offer protection for the carrier or contents of the bag. Bags should be of a plain dark blue or black colour, with no or discreet logos.
- We impress on pupils that they should only carry those books that are necessary for each session and not to carry a whole day's books in their bags. Books should be stored at home and in the pupils' lockers in school when not required.
- Pupils in Year 6 are encouraged to use the School backpack or satchel. These can be purchased from the School uniform shop. Alternatively, they may use a medium sized bag, which should be plain dark blue or black in colour, with no or discreet logos.

Sports Bags

- Sports bags are available from the uniform shop.

GUIDANCE ON APPEARANCE

Pupils should present a neat appearance at school and during travel to and from school. Cleanliness is important and attention should be paid to hair, hands and nails; not only first thing, but all day. Clothes, according to the uniform list, should be named and in a good clean condition. Sports clothes should also be clearly labelled and kept clean.

- Shirts must be tucked in (with the exception of girls in Y11)
- Ties must be tied properly
- Blazers should be worn by all pupils
- Skirt and dress lengths should not be higher than above the middle of the knee
- Jumpers should not be too baggy; jumper sleeves should not cover the hands
- If a belt is worn it must be a traditional black leather belt; a non-fashion item
- School shoes should be polished and in good condition

Hair and Hairstyles

We expect pupils at Red House to have clean, neat hair that has been combed or brushed each morning. Red House is a high achieving school with high standards and we expect hair length to conform to conventional standards. We do not allow street culture into school. Nor do we allow the braiding of hair though allowances may be made for cultural background. Hair extensions are not acceptable.

Boys

- Neat and clean
- Above the collar and not over the eyes
- Excessively short hair (eg shaved) is not acceptable
- No outlandish hairstyles which are a fashion statement
- Natural hair colour
- Boys must be clean-shaven

Girls

- Neat and clean
- Hair bands etc. must be plain blue, red, black or white and no wider than 4cms
- Excessively long or short hair is not permitted
- Hair extensions and braiding are not allowed
- Hair may need to be tied back for Sport and Science lessons
- Natural hair colour

Jewellery

- With the exception of a watch, no jewellery is allowed.
- This includes friendship bracelets and sweat bands.
- Earrings are not allowed in school at any time. If ears are to be pierced, this should be arranged at the beginning of the long summer break to allow enough time for the healing process.
- Piercings are not permitted.

Make Up

- The wearing of make-up and fake tan is not permitted (girls in Years 10 and 11 may wear discreet make-up).
- Tattoos are not permitted

Nails

- Nail extensions, gel nails and nail varnish are not permitted.

SCHOOL COUNCIL

Message from the Chair

Red House School really will give your child a foundation for life. The school provides a bespoke education for its pupils who are given the opportunity to be the best that they can be. Our pupils excel in so many different areas of school life.

Red House's reputation is longstanding and one of which we are extremely proud. We have been providing a wonderful learning environment for almost 90 years.

Red House has a beautiful setting in an ideal location. The School continues to grow and develop whilst retaining its strong sense of family and small class sizes.

As Chair of the School Council I can personally assure you that we are dedicated to maintaining and developing our fantastic school and giving all of our children the very best that Red House has to offer.

Victoria L Duncan
Chair of School Council

What is the School Council?

The School Council is the name for the Red House Governing Body. Unusually, School Council is comprised almost entirely of parents, elected at the Annual General Meeting. The primary function of the School Council is to ensure the continued success of the school as a charitable business and to ensure that it remains financially sound. While the School Council has responsibility for the overall operation of the school, educational matters are delegated to the Headmaster and his staff, who have discretion to operate within the broad policies set by School Council.

Annual General Meeting

The School Council reports to parents annually at the Annual General Meeting each autumn. All parents, including both parents of each child, have the opportunity to become members of the Red House Company. The application form is provided with joining material. Please write to the School Office if you would like another copy. Parents who are members of the Company may also stand for election to School Council at the AGM.

How To Become A Member Of The School Council

Information is sent out to parents prior to the AGM. To stand for election to School Council a parent must be a member of the Company and must be proposed and seconded by other members. Parents are advised to discuss the matter in advance with an existing member of School Council. Please write to the School Office for a list of members of School Council who can be contacted, via the School Office. It is important to remember that School Council does require parents with the expertise to contribute to the running of the school as a business.

Red House School Ltd – Company Membership

All parents of pupils at Red House School have the opportunity to become members of the Company. There is no charge for this and the maximum financial exposure for members of the Company, in the unlikely event that the Company experienced financial difficulties, is £1. Membership of the Company entitles you to attend the AGM of the Company and to stand for election to the governing Council of the school. This is a unique opportunity for parents and gives you the opportunity to be fully involved in the business affairs of the school.

If you wish to become a member of the Company, please complete and return the section in the Enrolment Booklet.

RED HOUSE SCHOOL PARENT TEACHER ASSOCIATION (PTA)

What is the PTA?

The PTA is an organisation made up of parents and staff of the school. The PTA is essentially a social organisation designed to further enhance positive relations amongst parents and between parents and staff, whilst working together to benefit the school community and enhance the Red House family ethos. The PTA complements the School Council, which has responsibility for the operation of the school. All social events are self-financing and any profits made are used to benefit the children within the school. All parents are members of the PTA and agree to pay the termly subscription when they accept a place for their child in the school. The PTA is not involved in the running of the school.

What the PTA Does

The PTA organises a wide range of very popular social events for children, parents, friends and staff. The major social event of the year is the Spring Ball, which usually takes place in April or May each year, whereby parents, teachers and friends of Red House, are all welcome to attend. Another very popular event is Firework Night, which is the ideal family event for children, parents and teachers to get together to enjoy a hot chocolate and some firework food, whilst enjoying the display. The PTA also organises a range of social events for the children, including visits from Santa and the Easter Bunny for the younger children; discos and parties for the older ones, as well as the Prom for Year 11 Leavers. The Garden Fete provides a fun-finish to the summer term, allowing the children to socialise with their friends and enjoy the inflatable assault courses and other fun stalls, whilst parents can visit the BBQ and savour a Pimms in the sun (assuming the weather is playing ball). The fundraising carried out by the PTA enables the finance of items such as a school mini-bus, renovations throughout the school and the purchase of equipment to aid the community such as a defibrillator for use in the school and community.

How to Become a Member of the PTA Committee

The PTA is always very keen to welcome new members to the Committee - the only qualification is a willingness to help with social events and be able to attend the meetings. If you don't feel you have time to commit to being a full PTA member, the PTA also would be delighted to welcome 'PTA Helpers', who are not required to attend the meetings, but who are happy to help at some of the events during the year. Please contact any member of the Committee for further details or alternatively, the School Office can always arrange for a member of the Committee to contact you if you would like to volunteer. You will be very welcome!
