Dear Parents

### **Year 11 Science Revision Cards for Pupils**

The Science department is able to purchase heavily discounted revision cards to support your son/daughter throughout their GCSE Science courses.

The revision question cards offer a way of actively testing GCSE Biology, Chemistry and Physics or GCSE Combined Science knowledge.

- The Separate Science pack contains 95 cards in each science.
- The Combined Science pack contains 180 cards covering all three sciences.

The revision cards cover every key grade 9-1 AQA topic. Each one starts off with quick warm up questions, followed by harder questions to really test pupils. The answers to a questions are on the reverse of the card. Included in the cards are diagrams, revision tips and questions on Working Scientifically and Practical Skills. Using the cards, along with the CGP revision resources supplied in Year 9, will provide an additional view of the courses as well as allowing the pupils to take ownership of revision and self-directed study.

We recommend that you purchase the resources listed below. If you do not wish to purchase copies please email me at [Julie.gresswell@redhouseschool.co.uk](mailto:Julie.gresswell@redhouseschool.co.uk) by September 24, 2021.

#### **Separate Science**

For pupils following the separate courses, the resources purchased are;

- 9-1 GCSE Biology AQA Revision Question Cards - £5.40
- 9-1 GCSE Chemistry AQA Revision Question Cards - £5.40
- 9-1 GCSE Physics AQA Revision Question Cards - £5.40

#### **Combined Science**

For pupils following the combined course, the resource purchased is;

- New 9-1 GCSE Combined Science AQA Revision Question Cards: All-in-one Biology, Chemistry & Physics - £9.60

The revision cards will be ordered shortly and the total cost (£16.20 for Separate Science; £9.60 for Combined Science) will be added to your school bill; so no further action will be needed. Pupils will receive the resources as soon as they arrive in school. If you have any questions, please do not hesitate to contact me.

Yours sincerely

**Mrs J Gresswell**  
**Head of Science and Physics**
