Dear Parents

Year 9 Science Revision Guides, Workbooks and Cards for Pupils

The Science department is able to purchase heavily discounted revision guides, workbooks and cards to support your son/daughter throughout their GCSE Science courses. Using the revision guide, workbook and cards will provide an additional view of the courses as well as allowing the pupils to take ownership of revision and self-directed study.

Pupils will be writing in the workbooks and they cannot be reused; they can also highlight and annotate the revision guide as they wish. We recommend that you purchase the resources listed below. If you do not wish to purchase copies please email me at Julie.gresswell@redhouseschool.co.uk by September 24, 2021.

The resources purchased are:

- GCSE Essentials Bundle: AQA Biology - £10.67
- GCSE Essentials Bundle: AQA Chemistry - £10.67
- GCSE Essentials Bundle: AQA Physics - £10.67

Each bundle contains the following resources:

- New Grade 9-1 AQA Revision guide
- New Grade 9-1 GCSE AQA Exam Practice workbook
- Grade 9-1 GCSE 10 minute tests
- 9-1 GCSE AQA Revision Question Cards

These resources will be ordered shortly and the total cost (£32) will be added to your school bill; so no further action will be needed. Pupils will receive the resources as soon as they arrive in school.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Mrs J Gresswell
Head of Science and Physics
