Dear Parents

Senior School Rewards & Sanctions

At Red House, we expect a high standard of behaviour from pupils, staff, parents/carers and visitors; all members of Red House are expected to treat each other with courtesy, respect and consideration. In this way, we aim to create a positive and productive working environment in which all pupils are able to fulfil their academic and social development in a pleasant, industrious and stimulating atmosphere. Our Behaviour Management Policy provides guidelines for both staff and pupils to help to ensure that the School community is run in an effective and positive manner.

Here are some of the key areas of our rewards and sanctions as outlined in our School Behaviour Policy.

Rewards:

Pupils are awarded Merits for good work and behaviour. Teaching staff add Merits onto our School ISAMS system with a description of what the Merits are for. Merits are shared with the pupils and parents via the Parent Portal. An ISAMS report is also sent to form tutors every week with the Merit totals. Individual Merits are also combined to make House Points. The House winners and individual Merit certificates are awarded in our whole-school 'Celebration Assembly' on Friday each week.

Individual certificates are graded in colour as follows:

Blue 10 Merits
Yellow 20 Merits
Red 30 Merits
Green 40 Merits
Purple 50 Merits
Pink 60 Merits
Orange 70 Merits
Bronze 80 Merits
Silver 90 Merits
Gold 100 Merits

Sanctions:

Adding Demerits onto our School ISAMS system also allows teaching staff to communicate effectively to record and share a range of issues. Demerits are also shared with pupils and parents via the Parent Portal. Form tutors will contact parents if they see a rising number of concerns. The following is a breakdown of the Demerit system:

Pupils who accrue more than 10 Demerits will trigger a formal after-school detention by the Deputy Head/Head on a Friday. This detention will be notified with a letter via email 48 hours ahead of the date and time of the detention to be served. Any demerits accrued during a term will be re-set again to 0 at the start of the next term.
