

Mrs Kate Huddart

Committees: None

Member of Board of Governors Since: November 2014

Three children in School

Professional/Business background: Pharmacist, currently working as a Head of Medicines Optimisation for Durham Dales, Easington and Sedgefield Clinical Commissioning Group: this involves working with 40 member GP practices to commission the healthcare for a population of 272,000. Have responsibility for governance, safety and financial balance with regards to our medicines budget. The post also involves developing contracts and managing them with many providers.

Other interests: With three young children and work, I find I have little time to relax now so when I have time I enjoy gardening, crafts, walking and swimming.
